

2016-17 USFHK Table Tennis Competition

The Outstanding Performance of HKUST Table Tennis Teams

The HKUST Table Tennis Teams joined the 2016-17 USFHK Table Tennis Competition at HKIVE (Chai Wan) from November 2016 to February 2017.

Since September 2016, team members have been practicing almost every Monday and Thursday nights to prepare for this major inter-collegiate competition. There were 6 matches in total for each team. Men's Team and Women's Team ranked 4th and 5th place in this competition respectively.

All team members have not only made a great improvement this year, but also developed a sense of team spirit and sportsmanship among ourselves. We will try their best to strive for better results in the upcoming 2017 Hang Seng All Schools Championships which will take place from 29th April 2017 to 11th June 2017.

Men's Table Tennis Team receives the 3rd Runner Up trophy in the Prize Presentation Ceremony on 26 Feb 2017.
