

2018-19 HKUST Intramural Athletics Meet

On 10 November 2018, over 400 athletes representing 14 Departmental Teams participated in the 2018-19 HKUST Intramural Athletics Meet. The event was jointly organized by Sports Association and Students' Track and Field Club, HKUSTSU. There was a total of 35 events, ranging from high jump, javelin and discus to all track events. The Athletics Meet showcased the athletic talents of our students.

A good team is a "must" to stage a smooth event. Our sincere gratitude must be given to more than 50 student volunteers, OC members, alumni as well as PE professional staff from Sports Development, SAO for their voluntary services before, on and after the event day. Athletes and their supporters participated on the day with great joy. The following 4 new HKUST Intramural Athletics Meet records were set:
