

## 2018-19 USFHK Women Soccer Competition

### The Outstanding Performance of HKUST Women Football Team

The HKUST Women's Football Team joined the 2018-19 USFHK Women Soccer Competition at EdUHK Sports Centre (Pak Shek Kok) from November 2018 to February 2019.

Our team has been practicing diligently every Friday night since September 2018 and has played several friendly matches to prepare for this major inter-varsity competition. With one win, one draw and one loss in the preliminary round, we got into the semi-finals for the first time in history. Though we lost to the eventual champion in the semi-final, we gave our best performance in the third place playoff and beat EdUHK on penalties to bring home the bronze medal and trophy.

Our teammates have not only achieved vast improvements this year, but also cultivated a sense of team spirit and sportsmanship among ourselves. We will try our best to strive for better results in the upcoming 2018-2019 Jockey Club Futsal Cup which will take place from 24<sup>th</sup> March 2019 to 7<sup>th</sup> July 2019.
