

HKUST Sports Teams Strive for the best Performance in the 22nd Jackie CHAN Challenge Cup Hong Kong Universities Ball Games Tournament

The 22nd Jackie CHAN Challenge Cup Hong Kong Universities Ball Games Tournament was taken place at the Jackie Chan Gymnasium in Lingnan University from 6 to 20 October 2018. More than 110 HKUST student athletes from 7 teams in 4 sports (basketball, football, table-tennis and volleyball) participated in this annual tournament. The Jackie CHAN Challenge Cup gave our student athletes a great opportunity to evaluate their preparation for inter-varsity competition that has begun since September 2018.

Throughout the tournament, the student athletes have acquired valuable experience from both winning and losing, building tangible relationships within the team, and developed unbreakable team spirit. Finally, they brought the University **two trophies of 2nd runner-up in Men's Table-tennis and Women's Basketball**. Our athletes would keep up with their hard work and determination to strive for even better results in the upcoming USFHK competitions.

Women's Volleyball Team is ready for their first match with Lingnan University.
