

## 2019-20 HKUST Intramural Aquatic Meet Sunday, 29 September 2019

The 2019-20 HKUST Intramural Aquatic Meet took place successfully with the co-operation of the Sports Association and Students' Swimming Club, HKUSTSU, 8 professional Chief Officials from the Dean of Students' Office, and 43 UG Student Officials. The event featured a total of 201 entries representing 8 Departmental Society Teams competing in 16 events, including 14 individual events and 2 relay events.

We were pleased to have Professor SHANG, Chii, Residence Master of Hall VII and Professor from the Department of Civil and Environmental Engineering to be the Guest of Honor in the Closing Ceremony. Professor SHANG shared his view on sports development among the HKUST community. The performance of both experienced and non-experienced swimmers on the event date brought us a valuable, yet joyful time during the closing ceremony.
