

## 2019-20 HKUST Intramural Athletics Meet

On 2<sup>nd</sup> November 2019, over 400 student athletes representing 9 Departmental Teams participated in the **2019-20 HKUST Intramural Athletics Meet**. The event was jointly organized by Sports Association and Students' Track and Field Club, HKUSTSU. A total of 30 events, ranging from high jump, javelin and discus to all track events were held. The Athletics Meet showcased the sports talents of our students.

A good team is a "must" to stage a smooth event. A sincere gratitude must be given to more than 50 student volunteers, OC members, alumni as well as PE professional staff from DSTO for their voluntary services before, on and after the event day.
