

CCB (ASIA) Hong Kong International Dragon Boat Races 2018

Hong Kong International Dragon Boat Races 2018 was organized at Central from 22 to 24 June 2018. This competition is an annual event co-organized by the Hong Kong China Dragon Boat Association and Hong Kong Tourism Board.

More than 5000 dragon boat paddlers from 12 countries participated in this international competition. HKUST Men's & Women's Dragon Boat Teams joined in the Women's, Open & Mixed Championship. Our student paddlers gained many valuable experiences by competing with different strong teams in the races. This would consolidate the effectiveness of teams' training which could make them even stronger and more competitive in future intervarsity competitions.
