

HKUST student represented Hong Kong At the 2017 World Archery Youth Championships

LEE Shuk Kwan, a year 3 student of Computer Science and Engineering, represented Hong Kong at the 2017 World Archery Youth Championships held in October in Rosario, Argentina. More than 200 athletes from 65 nations participated in this biennial international competition.

Shuk Kwan is ready to depart from Hong Kong to Argentina.

Shuk Kwan makes some foreign friends.

Shuk Kwan, the highest ranked archer among the Hong Kong archers in her division, has broken the Hong Kong Women Team record (old record:1774) with her teammates by 1795 scores, and won against USA and Argentina.

Shuk Kwan breaks the Hong Kong Women Team record with her teammates.

Shuk Kwan trained hard for over a year to prepare for this championship. In this competition, she obtained valuable experiences and made new friends with archers from different countries during the matches.
